SALARIED GP / GP PARTNER

Due to retirement of our Senior Partner the Portchester Practice are seeking a 5-6 session list-holding GP to complement our team from April 2024. We are a forward thinking, sociable and efficient team who aim to keep a balance between excellent clinical care and our lives outside medicine.

The Practice

- 10840 patients, growing list size
- 5 GP partners, 1 salaried GP, 2 retainer GP's
- Ranked 3rd in Hampshire in recent NHS patient survey!
- Excellent support from PCN and ARRS roles (home visiting service, pharmacy team, paramedics, MSK first contact practitioners, social prescribers and wellbeing practitioner)
- Excellent nursing team with supportive community nursing team
- Sociable lunchtimes
- Established GP training practice (currently 3 registrars)
- EMIS web, Docman 10, AccuRx
- E-consult total triage with care co-ordination team working alongside duty GP

The Role

- Mix of 15 minute F2F appointments + 10 minute telephone appointments
- 25 appointments per day
- Share of duty sessions
- Excellent support from workflow/admin team – low volume of clinical letters
- Support / mentoring

The Salary

Salaried GP - £10,000 to £11,000 per session dependent upon experience. The practice pays indemnity insurance. 6 weeks annual leave + 1 week study leave.

Partnership - full equity share of partnership profits.

Closing date for applications: 31st January 2024
