Sessional Salaried GP – Clift Surgery, Bramley, Hampshire 4-6 sessions per week | Fixed-term or substantive | Internal or external applicant's welcome.

Clift Surgery is seeking a Sessional Salaried GP to join our growing clinical team. This role offers a mix of routine and duty sessions, with opportunities for continued portfolio development. Whether you're looking for a fixed-term placement or a longer-term substantive role, we offer a supportive, forward-thinking environment where your contribution is genuinely valued.

Job Purpose

This role will focus on delivering both proactive and reactive care for patients living with frailty within our practice population. Working in close partnership with our practice team and dedicated Frailty Team and NHS system partners, you will help ensure high-quality, personalised care that supports patients through winter pressures and beyond. The postholder will play a key role in:

- Identifying and managing frailty proactively to reduce avoidable admissions and improve patient outcomes.
- Responding reactively to acute needs, ensuring timely, compassionate interventions.
- Collaborating with multidisciplinary colleagues and external partners to deliver integrated, patient-centred care.
- Supporting continuity of care and resilience in service delivery during periods of increased demand.

What We Offer

- A welcoming, multidisciplinary team including GPs, ACPs, Practice Nurses, HCAs, Pharmacists, Physiotherapists, Social Prescribers, Dispensers, and Admin staff
- Structured mentorship and protected time for professional development
- Opportunities to pursue special interests and portfolio roles
- A culture of continuous improvement and collaborative working
- Full NHS pension, annual leave, sick pay, and Employee Assistance Programme

Who We're Looking For

We welcome applications from:

- GPs seeking a flexible, sessional role with scope for portfolio growth
- Clinicians who are proactive, compassionate, and committed to high-quality care
- Individuals who thrive in a collaborative, village practice setting
- Those keen to contribute to both routine and duty clinical sessions

About Us

Clift Surgery is a GMS, dispensing, and training practice with over 8,000 patients and growing. We are part of the Whitewater Loddon Primary Care Network, alongside Chineham Medical Practice and Whitewater Health. We train GPs, Medical Students, and Student Nurses, and use EMIS Web as our clinical system. We would be delighted to answer any queries or arrange an informal visit to meet the team.

To apply, please send your CV and covering letter to Dr Tahir Chechi via sharon.longyear1@nhs.net
