

HEALTH CARE ASSISTANT

Kingswood Medical Group (KMG), consisting of Kingswood Surgery and Carfax Medical Centre, are looking for an experienced Health Care Assistant to work across both sites.

We are based in Swindon and a PCN in our own right and also part of the Brunel Group with opportunities to shape clinical services to the wider community.

KMG has a patient cohort of circa 29,000 covering the most deprived areas of Swindon and our patients are at the heart of all that we do.

Our clinical team is currently made up of five Partners, 14 Salaried GPs, a strong Nursing team, Pharmacist team, Physiotherapists and a Personalised Care Team consisting of Mental Health Nurses, Social Prescribers and a Dietitian. We are well supported by ARRS staff within our PCN. We hold daily Nurse meetings during the coffee break, daily GP team meetings, monthly clinical meetings and bi-annual Company meetings.

We are a certified training and research practice with GP trainers and a supportive environment for both experienced and recently qualified GPs, Pharmacists and Nurses. Special interests and portfolio working is supported and encouraged.

Our clinical system is SystemOne along with the support of our newly acquired Welby system for accurate reporting, recall system and medicine management.

What we offer:

- Five weeks annual leave January - December
- Protected CPD time and development opportunities
- NHS Pensions
- Daily meetings
- Bi-annual company meetings
- Summer Family Day
- Christmas events
- Open door policy for clinician support and management alike

How to apply

If you are an experienced Health Care Assistant and have a real passion for providing excellent patient care and health promotion for Swindon, then please let us know.

Please send your cv to FAO of our Practice Manager (Camille Hilton-Hardy) on bswicb.kmgpracticemanager@nhs.net

Closing date: 30 January 2026

Provisional Interviews to be held: Thursday 5 February 2026.

Applications/CVs by email: bswicb.kmgpracticemanager@nhs.net
